

28th October 2022

Dear Parent/Guardian,

Eaglehawk Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Eaglehawk Secondary College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide students with a wider offering of subjects and special curriculum experiences, digital learning opportunities through our one-to-one netbook program and access to online learning programs and software that enhance student learning across the curriculum.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Danielle Derksen

College Principal

School Council President
