

20/10/2025

Dear Parent/Guardian,

Eaglehawk Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Eaglehawk Secondary College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. This support has allowed us to run subjects that enhance the opportunities for students and upgrade the facilities available for students in the classrooms and in the outdoor areas, which we hope to continue with your ongoing support.

The College is also offering two options for families to make voluntary contributions to the costs of the school program. **Option A** details individual items while **Option B** invites regular contributions across the year.

Year 10 students who are involved in Vocational Education and Training (VET) programs through TAFE will have separate information which details the required resources and payment arrangements.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
