TO DEVELOP ASPIRANT, RESILIENT LEARNERS WHO ARE EMPOWERED GLOBAL CITIZENS

ATTENDANCE - EVERYDAY COUNTS

Regular school attendance is vital to maintain a high level of student achievement and engagement, support the development of positive relationships and develop independence and responsibility. All absences must be reported to the office via the Compass App or by phoning the Attendance Line on (03) 4433 8282.

An important part of your day will be your Teacher Advisory Time which starts at the beginning of the school day. Here, the roll will be marked and then time will be allocated to discussing issues with your Teacher Advisor and undertaking circle time to develop skills that will assist you at school and at home.

Our attendance officer will be calling all families with students that have unexplained absences. Please record your students absence on Compass or by calling the Absence Line on (03) 4433 8282.

1 or 2 days a week doesn't seem like much but...			
If your child misses...	=	Which is...	Which over 13 years of schooling is
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1.5 years
1 day per week	40 days per year	8 weeks per year	Nearly 2.5 years
2 days per week	80 days per year	16 weeks per year	Nearly 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

Principal's Report

RICHELLE HOLLIS

PRINCIPAL'S REPORT

Acting Assistant Principal

At the end of term 2 we farwvelled Thomas Hart as he started a new job with Crusoe College. This term we welcome the Walker Community Leader Darcy Richards as he steps intot he role of Acting Assistant Principal. Darcy brings a wealth of knowledge, energy, and enthusiasm, and we are excited to see the contributions he will make to our community in this role. Please join me in giving Darcy a warm welcome as he steps into this new role.

Year 10 Ski Camp

This term, our Year 10 students had the incredible opportunity to head to Falls Creek for a snow camp. Students embraced the chill at Falls Creek, learning to ski and snowboard, engaging in snowball fights, and even building the biggest snowmen they could manage. This camp was a valuable chance for students to grow, learn, and connect outside the classroom.

Important Upcoming Events

As we look ahead to the remainder of the term, there are many exciting opportunities for our students across all year levels.

Our Year 9 students are eagerly anticipating their camp to Phillip Island later this term, which promises to be another fantastic opportunity for learning, personal growth and creating lasting memories.

Our Year 10 students will soon commence their Work Experience placements, providing them with valuable insight into the world of work while helping them explore future career pathways. Students in Years 8, 9 and 10 will also participate in Course Counselling, an important process that supports them in making informed decisions about their future learning and career aspirations.

Our Year 7 students will take part in the Careers Cup, an engaging program designed to encourage teamwork, build new friendships and introduce students to a range of career possibilities in a fun and interactive environment.

These experiences are an important part of our commitment to providing students with opportunities beyond the classroom, helping them develop the knowledge, skills and confidence to achieve success both now and into the future.

College Values

Eaglehawk Secondary College's values of Community, Opportunity, Relationships and Expectations & Achievement are at the CORE of the work we do. Each term we will be focusing on one of our values, and this term we have focused heavily on the CORE value of Relationships. We believe positive relationships are the foundation of a supportive and successful school community. By showing respect, kindness, empathy, and inclusion, students strengthen their connections with peers, staff, and the wider community. Throughout the term, we encourage all students to build meaningful relationships, work collaboratively, and contribute to a positive learning environment where everyone feels valued and supported.

Student accident insurance and ambulance cover

Please note that insurance against injuries or loss of any kind by students is not part of the responsibility of the school or Department of Education. It is possible to purchase this from a variety of commercial providers. Similarly, ambulance cover is not automatic. Families with a Health Care Card will be covered but others will need to be ambulance members to cover the costs of an ambulance call if necessary. Staff will make every effort to contact parents in the event of a serious illness or injury but an ambulance will be called if a student is in a dangerous situation. We hope that this will not be necessary but need to ensure that our duty of care is carried out. To assist with this, please ensure that all medical and personal details are up to date.

Personal Property

Eaglehawk Secondary College understands that staff and/or students may sometimes like to bring items of personal property to school. The Department of Education does not have insurance for personal property of staff, students and visitors. Eaglehawk Secondary College does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property. Eaglehawk Secondary College encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

If students bring items of value to school, they will be confiscated and stored securely at the General Office until the end of the day, when the items may be collected by the student and/or parent.

Mental Health Practitioner

Our school is excited to be part of the Mental Health Practitioners (MHP) initiative. Our school MHP will support the mental health and wellbeing needs of our students. They will also help our teachers to identify and respond to student's mental health and wellbeing concerns. Our MHP is ADAM JOHNSON, they will be working in our school for 5 days a week. Adam is a Occupational Therapist with 14 years of experience working in Occupational Therapy and 12 years in mental health specific roles. Adam takes a holistic approach and utilises principles of Cognitive Behavioural Therapy (CBT) and Acceptance and Commitment Therapy (ACT).

Students and their parents/carers who would like to discuss their suitability to engage with the MHP service can contact Caroline Roy (Wellbeing & Disability Inclusion Leader). Please note, referral and informed consent documentation is required before MHP service commencement For more information on the Mental Health Practitioners initiative see the department's [website](#).

Doctors In Secondary Schools

A reminder to families that we have a doctor on site once a week for students to make appointments. Dr Jo Dennis is our school doctor and practices each Wednesday here at the college. Students and parents can book an appointment with Dr Jo on 5446 8099 or see the General Office. Please note there are limited number of appointments available each week, so if you are not able to attend due to not being at school on that particular day, please contact the school, so that a student on the wait list can take the appointment instead. Appointments can only be made for students and they are all bulk billed. For further information, please refer to: [Microsoft Word - Consent and confidentiality - School information sheet \(Revised - May 2017\)](#) (education.vic.gov.au)

Important school dates

There are a number of important events that happen throughout the term and affect the entire school or just some year levels. It is important that families are aware of these so that planning can be done to ensure that students attend 100% of the required school days and have the opportunity to maximise the benefits available from their education. Please check the IMPORTANT DATES further in this newsletter.

STUDENT ABSENCE LINE: 4433 4455

Please phone through your student absences to this 24 hour phone line.

Child safety and wellbeing at Eaglehawk Secondary College: Information for families and the school community

Eaglehawk Secondary College is committed to providing an environment where students are safe and feel safe.

Our child safety framework includes policies, codes and procedures that explain how we support and maintain the safety and wellbeing of our students and protect them from harm. These documents are available on our website: <https://www.eaglehawksc.vic.edu.au/page/9/Public-Documents-&-Policies>

We are also committed to continuous improvement of our child safety framework. We are currently reviewing our child safety policies and practices to ensure they are up-to-date and effective.

Our students and families are important partners in this process. We welcome your feedback or ideas on ways we can improve our approach to child safety and wellbeing.

If you have any suggestions or comments, please contact the Caroline Roy on 5446 8099 or at eaglehawk.sc@education.vic.gov.au

Privacy Reminder

Annual privacy reminder for our school community

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#) and the [Schools' Privacy Collection Notice](#).

Our [Photography, Filming and Recording Students Policy](#), describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

We ask parents to also review the guidance we provide on how we use learning programs safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using their computers for school related work, please contact the school.

For more information about privacy, refer to: [Schools' privacy policy: information for parents](#). This information is also available in ten community languages:

- Amharic
- Arabic
- Chinese
- Dari
- Gujarati
- Mandarin
- Somali
- Sudanese
- Turkish
- Urdu
- Vietnamese

Bushfire Preparation

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 3 school.

Our school will close on a day forecasted as Catastrophic fire danger rating in the Northern Countryfire district.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Compass and Text Message.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and prioritised maintenance works to assist in preparing for the threat of fire.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website and social media or talking to your child's teacher.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).
- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Parking & Safety Around School

Parking Services from the City of Greater Bendigo have contacted our school to request that we share the following important information with our school community.

The illegal parking of vehicles near our school poses a significant safety risk to children, pedestrians, and other road users. Parents are reminded to follow all parking restrictions when dropping off and collecting children to help ensure a safe environment for everyone.

Motorists must:

- Not stop in "No Stopping" areas, even briefly, regardless of whether the engine is running.
- Not park next to a continuous yellow edge line, on nature strips, over driveways, too close to school crossings, or double park.
- Observe time-restricted parking zones, such as 2-minute pick-up/drop-off areas, which are in place to maintain traffic flow and safety near schools.
- Not perform U-turns over an unbroken or continuous dividing line.

Regarding children's crossings, the law requires drivers to approach at a speed that allows them to stop safely if needed. Please slow down and take extra care when driving in school zones.

City of Greater Bendigo Parking Officers and Bendigo Police conduct random patrols throughout the school year at various locations to ensure compliance with Road Safety Road Rules.

Thank you for your cooperation in keeping our school community safe.

Geared4Careers

Welcome to Eaglehawk Secondary College, Coll Travers!

We are delighted to welcome Coll Travers to Eaglehawk Secondary College as our new Geared4Careers Program Officer. Coll will be based at the College Monday to Friday, with her office located in the Library.

Coll brings a wealth of knowledge and experience in careers and vocational development. Throughout her career, she has worked as a Vocational Specialist with Headspace, contributed to career counselling research for the Department of Employment and Workplace Relations, and is a Registered Career Practitioner. She is passionate about supporting young people to explore pathways, develop career aspirations, and achieve their goals.

Over the coming weeks, Coll will be introducing herself to students, staff, and families as she settles into the College and begins working with students participating in the Geared4Careers program.

We are excited to have Coll join the Eaglehawk Secondary College community and look forward to the positive impact she will have on our students and their future pathways.

HEAD START

School-Based Apprenticeships and Traineeships (SBATs)

Head Start Program

Head Start is a program that supports students in years 10-12 to participate in a school-based apprenticeship and traineeship (SBAT) program to develop skills, capabilities and confidence that employers in growth industries need.

SBAT students receive paid on-the-job training that contributes to their VCE, VCE Vocational Major or VPC and leads to a qualification.

Head Start supports students to:

- 1 find a pathway that's right for them
- 2 find the right employer
- 3 access nationally recognised training that also contributes to their VCE or VCE VM or VPC
- 4 earn a wage while completing their secondary school certificate
- 5 transition into full-time employment or continue an apprenticeship or traineeship after finishing school

About Apprentice / Trainee

Apprenticeships and traineeships are pathways that combine paid employment with on-the-job training and formal study. Successful apprentices and trainees gain a nationally recognised qualification, plus valuable real-world experience.

Overview of SBATs

School-Based Apprenticeships and Traineeships (SBATs) are apprenticeships or traineeships that students start at school, helping them get a head start on their career.

SBATs combine:

- paid part-time employment
- vocational training
- regular school attendance

Head Start Staff

Head Start staff are based in Victorian government schools to support students to undertake an SBAT and support employers to maintain safe and supportive workplaces

Find out more on the Head Start website: vic.gov.au/headstart or contact your local hub for more information
