TO DEVELOP ASPIRANT, RESILIENT LEARNERS WHO ARE EMPOWERED GLOBAL CITIZENS

ATTENDANCE - EVERYDAY COUNTS

Regular school attendance is vital to maintain a high level of student achievement and engagement, support the development of positive relationships and develop independence and responsibility. All absences must be reported to the office via the Compass App or by phoning the Attendance Line on (03) 4433 8282.

An important part of your day will be your Teacher Advisory Time which starts at the beginning of the school day. Here, the roll will be marked and then time will be allocated to discussing issues with your Teacher Advisor and undertaking circle time to develop skills that will assist you at school and at home.

Our attendance officer will be calling all families with students that have unexplained absences. Please record your students absence on Compass or by calling the Absence Line on (03) 4433 8282.

1 or 2 days a week doesn't seem like much but...			
If your child misses...	=	Which is...	Which over 13 years of schooling is
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1.5 years

PRINCIPAL'S REPORT

Richelle Hollis

Year 10 Examns

As we approach the final weeks of Term 4, our Year 10 students are preparing for their exams, which commence on Monday, 10 November. Throughout the week, students will complete their elective and Y class exams here at ESC. On Monday, 17 November and Tuesday, 18 November, they will sit their core subject exams — English, Mathematics, Science and Humanities — at Bendigo Senior Secondary College. This is an important milestone for our students as they complete their final assessments at Eaglehawk Secondary College and prepare for the next stage of their learning journey.

Farewell to our Year 10 Students

On Tuesday, 18 November, we will officially farewell our Year 10 students as they graduate from Eaglehawk Secondary College. A special graduation ceremony will be held at ESC to recognise their achievements and time spent as part of our school community, followed by a dinner celebration at Omari. To conclude their time with us, the cohort will enjoy a fun-filled final day at Fun Fields, a well-deserved celebration and an opportunity to make lasting memories before they move on to Bendigo Senior Secondary College and other exciting pathways ahead.

Year 8 Camp

Recently Year 8 students set off to Camp Howqua for a three-day adventure. The camp was filled with activities designed to promote resilience, teamwork, and leadership, encouraging students to step out of their comfort zones and try something new. It was fantastic to see students challenge themselves, support one another, and return with stronger friendships and plenty of great stories to share.

Awards Evening

Our end of year awards ceremony will be held on Monday 15th December in the Conservatory at the All Seasons. This is a wonderful opportunity to celebrate the successes of our students. Students receiving an award will be notified on Compass. Parents will be expected to confirm attendance on the evening by consenting that their child will attend.

Grade 6 to Year 7 Transition

Our incoming 2026 Year 7 students have been actively participating in transition activities, including scavenger hunts and Big Day Out. Tuesday 9th December is the statewide transition day, and all Grade 6 students coming for Year 7 2026 will be participating in the transition day. Please note, that all other year levels are not required at school on this day.

College Values

Eaglehawk Secondary College's values of Community, Opportunity, Relationships and Expectations & Achievement are at the CORE of the work we do. Each term we focus on one of our values, and this term we have focused heavily on the CORE value of Expectations & Achievement. This value is all about taking pride in the work we complete, striving for excellence, and demonstrating the high expectations we hold for ourselves, our peers, and our school community. Throughout the term, students have been encouraged to set personal learning goals, work towards achieving them, and celebrate their successes both inside and outside the classroom. Learning Community and year level assemblies have provided opportunities to recognise student effort, progress, and achievement, reinforcing the importance of meeting expectations and taking ownership of learning. Events such as exams, assessments, and student showcases also highlight the importance of persistence and achievement across all areas of school life. While Expectations & Achievement has been our focus this term, the work we do in this space will continue to be embedded in our daily practice, as we look ahead to next term's focus on our next CORE value.

Student accident insurance and ambulance cover

Please note that insurance against injuries or loss of any kind by students is not part of the responsibility of the school or Department of Education. It is possible to purchase this from a variety of commercial providers. Similarly, ambulance cover is not automatic. Families with a Health Care Card will be covered but others will need to be ambulance members to cover the costs of an ambulance call if necessary. Staff will make every effort to contact parents in the event of a serious illness or injury but an ambulance will be called if a student is in a dangerous situation. We hope that this will not be necessary but need to ensure that our duty of care is carried out. To assist with this, please ensure that all medical and personal details are up to date.

Personal Property

Eaglehawk Secondary College understands that staff and/or students may sometimes like to bring items of personal property to school. The Department of Education does not have insurance for personal property of staff, students and visitors. Eaglehawk Secondary College does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property. Eaglehawk Secondary College encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

If students bring items of value to school, they will be confiscated and stored securely at the General Office until the end of the day, when the items may be collected by the student and/or parent.

Mental Health Practitioner

Our school is excited to be part of the Mental Health Practitioners (MHP) initiative. Our school MHP will support the mental health and wellbeing needs of our students. They will also help our teachers to identify and respond to student's mental health and wellbeing concerns. Our MHP is ADAM JOHNSON, they will be working in our school for 5 days a week. Adam is a Occupational Therapist with 14 years of experience working in Occupational Therapy and 12 years in mental health specific roles. Adam takes a holistic approach and utilises principles of Cognitive Behavioural Therapy (CBT) and Acceptance and Commitment Therapy (ACT).

Students and their parents/carers who would like to discuss their suitability to engage with the MHP service can contact Caroline Roy (Wellbeing & Disability Inclusion Leader). Please note, referral and informed consent documentation is required before MHP service commencement For more information on the Mental Health Practitioners initiative see the department's [website](#).

Doctors In Secondary Schools

A reminder to families that we have a doctor on site once a week for students to make appointments. Dr Jo Dennis is our school doctor and practices each Wednesday here at the college. Students and parents can book an appointment with Dr Jo on 5446 8099 or see the General Office. Please note there are limited number of appointments available each week, so if you are not able to attend due to not being at school on that particular day, please contact the school, so that a student on the wait list can take the appointment instead. Appointments can only be made for students and they are all bulk billed. For further information, please refer to: [Microsoft Word - Consent and confidentiality - School information sheet \(Revised - May 2017\)_\(education.vic.gov.au\)](#)

Important school dates

There are a number of important events that happen throughout the term and affect the entire school or just some year levels. It is important that families are aware of these so that planning can be done to ensure that students attend 100% of the required school days and have the opportunity to maximise the benefits available from their education. Please check the IMPORTANT DATES further in this newsletter.

STUDENT ABSENCE LINE: 4433 4455

Please phone through your student absences to this 24 hour phone line.

Child safety and wellbeing at Eaglehawk Secondary College: Information for families and the school community

Eaglehawk Secondary College is committed to providing an environment where students are safe and feel safe.

Our child safety framework includes policies, codes and procedures that explain how we support and maintain the safety and wellbeing of our students and protect them from harm. These documents are available on our website: <https://www.eaglehawksc.vic.edu.au/page/9/Public-Documents-&-Policies>

We are also committed to continuous improvement of our child safety framework. We are currently reviewing our child safety policies and practices to ensure they are up-to-date and effective.

Our students and families are important partners in this process. We welcome your feedback or ideas on ways we can improve our approach to child safety and wellbeing.

If you have any suggestions or comments, please contact the Caroline Roy on 5446 8099 or at eaglehawk.sc@education.vic.gov.au

Privacy Reminder

Annual privacy reminder for our school community

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the [Schools' Privacy Policy](#) and the [Schools' Privacy Collection Notice](#).

Our [Photography, Filming and Recording Students Policy](#), describes how we collect and use photographs, video and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

We ask parents to also review the guidance we provide on how we use learning programs safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using their computers for school related work, please contact the school.

For more information about privacy, refer to: [Schools' privacy_policy: information for parents](#). This information is also available in ten community languages:

- Amharic
- Arabic
- Chinese
- Dari
- Gujarati
- Mandarin
- Somali
- Sudanese
- Turkish
- Urdu
- Vietnamese

Bushfire Preparation

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires.

An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being at risk of bushfire or grassfire and is a Category 3 school.

Our school will close on a day forecasted as Catastrophic fire danger rating in the Northern Countryfire district.

Closure of the school due to a Catastrophic fire danger rating will be enacted when the Bureau of Meteorology forecast and related public safety messaging are confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by Compass and Text Message.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and prioritised maintenance works to assist in preparing for the threat of fire.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by reading our newsletters, checking our website and social media or talking to your child's teacher.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is closed due to Catastrophic fire danger. Further information can be found on the [CFA's website](#).
- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are actioning your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

Parking & Safety Around School

Parking Services from the City of Greater Bendigo have contacted our school to request that we share the following important information with our school community.

The illegal parking of vehicles near our school poses a significant safety risk to children, pedestrians, and other road users. Parents are reminded to follow all parking restrictions when dropping off and collecting children to help ensure a safe environment for everyone.

Motorists must:

- Not stop in "No Stopping" areas, even briefly, regardless of whether the engine is running.
- Not park next to a continuous yellow edge line, on nature strips, over driveways, too close to school crossings, or double park.
- Observe time-restricted parking zones, such as 2-minute pick-up/drop-off areas, which are in place to maintain traffic flow and safety near schools.
- Not perform U-turns over an unbroken or continuous dividing line.

Regarding children's crossings, the law requires drivers to approach at a speed that allows them to stop safely if needed. Please slow down and take extra care when driving in school zones.

City of Greater Bendigo Parking Officers and Bendigo Police conduct random patrols throughout the school year at various locations to ensure compliance with Road Safety Road Rules.

Thank you for your cooperation in keeping our school community safe.

Restart a Heart

Restart a Heart Day at ESC

As part of the Shocktober campaign, students headed down to the gym to join Bec, Brady and Jodie from Ambulance Victoria for a special Restart a Heart Day session.

During the session, students learned vital CPR skills and how to properly use an AED (Automated External Defibrillator) — knowledge that can truly help save lives.

Every day, around 21 Victorians suffer a cardiac arrest, with only one in ten surviving. Learning how to perform CPR and use an AED can more than double a person's chance of survival.

A huge thank you to Ambulance Victoria for sharing their expertise and helping our students build confidence in these essential, life-saving skills.

Halloween

Spooktacular Halloween Fun at ESC

What an absolutely spooktacular day we've had celebrating Halloween here at ESC! From the moment we arrived, it was clear that both students and staff had fully embraced the Halloween spirit, with some truly amazing costumes on display.

This year, we were thrilled to support the Make-A-Wish Hallowish fundraiser, proudly sponsored by Chupa Chups. We carried the sweet theme all the way through, rewarding students who donated with a delicious Chupa Chup — and from the smiles on their faces, it's safe to say they enjoyed the treat!

A huge thank you to everyone who joined in the fun and helped make the day so memorable. Congratulations to our Best Dressed winners — your creativity and effort were truly outstanding!

Jacinta Allen Visits ESC

Eaglehawk Secondary College was fortunate to welcome Jacinta Allan for a special visit with our Student Leadership Team.

Our student leaders had the fantastic opportunity to sit down with Jacinta, ask questions, and gain valuable insight into her experiences as a leader — including what makes a truly great one.

It was an inspiring and engaging session that encouraged students to reflect on their own leadership qualities and the impact they can have within our school and community.

A big thank you to Jacinta for taking the time to visit and inspire our future leaders.

Attendance Challenge 2025

Burra Bucks to be won!

Five full consecutive days of attendance, you will receive 5 Burra Bucks

If your TA has the highest percentage of attendance for a week, every student in your TA will receive one Burra Buck each!

In the last week of each term, the TA with the highest percentage of attendance will have a celebration to reward you for your efforts.

Check in on your friends – ask them why they're not coming to school – remind them what they are missing out on – see how you can help them to turn their attendance around – speak to your TA to see how we can help – everyday matters!

"Education is the most powerful weapon which you can use to change the world."
